

FORÓGRA DO GHLÚIN NUA
PROCLAMATION FOR A NEW GENERATION
15 MÁRTA 2016

Is mian linn Éireann a fheiceáil ina mbeidh:
We want to see an Ireland with:

- **an Ghaeilge láidir agus deis ag gach duine oideachais trí mheán na Gaeilge a fháil**
a strong native language and a chance to be educated through the medium of Irish
- **comhionannas do fhir agus mná**
equality for men and women
- **fáilte roimh inimirigh le deiseanna a bheith acu oideachais agus post a fháil**
a welcome for immigrants with opportunities to receive an education and get a job
- **gach duine sábháilte**
everyone feeling safe
- **dídean ar fáil ag gach duine**
shelter available to all
- **meas againn ar a chéile**
everyone respecting each other
- **deis ag gach duine post a fháil**
everyone having the opportunity to get a job
- **caomhnú ár dtimpeallacht mar chroílár gach a dhéanaimid**
the preservation of our environment central to all we do
