# Calculating the Area of Shapes by Counting Squares

Count the squares to find the area of the letter shapes.

Top tip – make a mark in each square you have counted to save you counting it twice.

# A Bingo

## Revision: suffixes

### How to play Bingo

1. Choose 20 words from the list. Write each one in a box below.
2. Your teacher will call out a word.
3. If you have written this word in a box, cross it out.
4. When you have all 20 words crossed out, you call "Bingo!"
