

TIONSCNAMH SCOILE/ SCHOOL ART PROJECT

Le cabhair ó Sarah Bean Uí Sheasnáin, tuismitheoir sa scoil agus múinteoir ealáine, ba mhaith linn tabhairt faoi thionsnamh ealáine uile scoile sa seachtain amach romhainn. Is é an téama ná CROÍTHE. Ba bhréá linn dá mbeadh gach duine agus a gclann dár ndóigh ábalata bheith páirteach ann. Is tionscnamh grúpa é agus táimid ag súil go mbeidh taispeántas mór mílteach cróithe againn. Beidh croí gach duine curtha le chéile chun píosa mór ealáine amháin a dhéanamh ag an ndeireadh. Tá fáilte mhór roimh gach duine i do chlann bheith páirteach agus cróithe a dhéanamh freisin. Táimid ag súil leis an dtionscnamh a roinnt libh gach lá sa dóigh gur féidir libh breathnú air agus é ag fás.

Over the course of the next week we hope to run a whole school art project which we would love everyone to get involved in. With the kind assistance of Sarah Sexton, a parent of the school and art teacher, we hope to create a large virtual heart display. This is a group project. Everyone's work will be put together to create a single piece of work which can be displayed at the end of the week. It is fine to get your family involved in this, they too can make a heart and it can be included in this group collage. We are hoping to share the collage with you each day so that you can see it grow and pick out your hearts.
